## 5<sup>th</sup> International Meeting on Materials Science for Energy Related Applications

University of Belgrade – Faculty of Physical Chemistry, Belgrade, Serbia

September 25-26, 2025.

✉ [materials@ffh.bg.ac.rs](mailto:materials@ffh.bg.ac.rs)

### SCIENTIFIC COMMITTEE

[Prof. Dr. Igor Pašti](#), University of Belgrade – Faculty of Physical Chemistry, Serbian Academy of Sciences and Arts, Serbia, chair

[Prof. Dr. Slavko Mentus](#), University of Belgrade – Faculty of Physical Chemistry, Serbian Academy of Sciences and Arts, Serbia

[Dr. Nemanja Gavrilov](#), University of Belgrade – Faculty of Physical Chemistry, Serbia

[Dr. Uroš Lačnjevac](#), University of Belgrade – Institute for Multidisciplinary Research, Serbia

[Prof. Dr. Natalia Skorodumova](#), Luleå University of Technology, Sweden

[Prof. Dr. Núria López](#), ICIQ Institute of Chemical Research of Catalonia, Tarragona, Spain

[Prof. Dr. Patrik Schmuki](#), Friedrich-Alexander-Universität, Department of Materials Science and Engineering, Germany

[Prof. Dr. Kai S. Exner](#), Faculty of Chemistry, Theoretical Catalysis and Electrochemistry, University of Duisburg-Essen, Germany

[Dr. Christoph Unterweger](#), Wood K Plus – Kompetenzzentrum Holz GmbH, Linz, Austria

[Prof. Dr. Nejc Hodnik](#), National Institute of Chemistry, Department of Materials Chemistry, Slovenia

[Dr. Sanjin Gutić](#), University of Sarajevo – Faculty of Science, Department of Chemistry, Sarajevo, Bosnia and Herzegovina

[Dr. Edvin Fako](#)

### ORGANIZING COMMITTEE

[Dr. Ana Dobrota](#), University of Belgrade – Faculty of Physical Chemistry, Serbia, chair

[Dr. Branislav Milovanović](#), University of Belgrade – Faculty of Physical Chemistry, Serbia

[Dr. Kristina Radinović](#), University of Belgrade – Faculty of Physical Chemistry, Serbia

[Aleksandar Jovanović](#), University of Belgrade – Faculty of Physical Chemistry, Serbia

[Prof. Dr. Aleksandra Dapčević](#), University of Belgrade – Faculty of Technology and Metallurgy, Serbia

[Dr. Mila Krstajić Pajić](#), University of Belgrade – Faculty of Technology and Metallurgy, Serbia

[Jelena Gojčić](#), University of Belgrade – Faculty of Technology and Metallurgy, Serbia

[Dr. Snežana Brković](#), University of Belgrade – Vinča Institute of Nuclear Sciences, Serbia

[Dr. Ivana Perović](#), University of Belgrade – Vinča Institute of Nuclear Sciences, Serbia

[Jelena P. Georgijević](#), University of Belgrade – Vinča Institute of Nuclear Sciences, Serbia

[Milica Ritopečki](#), ICIQ Institute of Chemical Research of Catalonia, Tarragona, Spain

5<sup>th</sup> International Meeting on Materials Science for Energy Related Applications

University of Belgrade – Faculty of Physical Chemistry, Belgrade, Serbia

September 25-26, 2025.

✉ [materials@ffh.bg.ac.rs](mailto:materials@ffh.bg.ac.rs)

## Aim of the Meeting

The 5<sup>th</sup> International Meeting on Materials Science for Energy Related Applications (IMMSERA) is organized as the sequel to 4<sup>th</sup> IMMSERA (2021) with the aim to bring together scientists from all domains of material science for energy related applications. Contributions related to materials for heterogeneous catalysis, fuel cells, batteries, hydrogen storage, solar energy conversion systems and others are welcomed (see registration form for more details). One of the goals of the Meeting is to bring together theoreticians and experimentalists working in the field. Hence, theoretical, experimental and combined studies are welcome.

Planned sessions include, but are not limited to:

- *Catalysis & electrocatalysis in energy conversion and storage,*
- *Hydrogen energy & hydrogen storage materials,*
- *Materials for batteries & supercapacitors,*
- *Novel materials in fuel cell technologies,*
- *Photocatalysis & solar energy materials.*

*The official language of the Meeting will be English.*

**Registration & abstract/paper submission DEADLINE: June 20<sup>th</sup>, 2025**

**No conference fee.**

[REGISTER HERE](#)

Follow-up information will be published on the [conference website](#).

## Presentations

The Meeting will include lectures delivered in the form of oral presentations (30 min for plenary lectures and 15 for other lectures) and posters. **The number of slots available for each type of presentation is limited. Due to a limited number of timeslots, we retain the right to shift a certain number of oral presentations to poster presentations only.** Posters will be placed throughout the duration of the Meeting and presented and discussed during the breaks. The content of poster presentations is up to the choice of authors: posters can present the same results as in the oral presentation, other results that authors consider interesting to present, but also can be presentations of research groups or research activities of presenting authors.

5<sup>th</sup> International Meeting on Materials Science for Energy Related Applications

University of Belgrade – Faculty of Physical Chemistry, Belgrade, Serbia

September 25-26, 2025.

✉ [materials@ffh.bg.ac.rs](mailto:materials@ffh.bg.ac.rs)

## Publications

All presentations at the Meeting will be published in the **BOOK OF ABSTRACTS**. The form of the paper is up to the authors. Please limit the length of your paper to 800 words, excluding title, author names, affiliations and references.

No specific formatting is required; this will be done during the typesetting of the *Book of Abstracts*. Please be spare with references and keep their number below 10. If references are cited in the text, place them in square brackets: [1], [2], ..., and cited at the end of the text. Use the following style:

[1] A.K. Geim, K.S. Novoselov, *Nature Mat.* 2007, 6(3), 183-191.

Figures can be included in the abstract but **limit the number of figures to one**. Please take care of copyright issues. If some of the figures which are already published are reproduced, then proper license needs to be obtained.

Please do not send abstract as a pdf file – instead send your paper in any editable file format. Also, embed the figure (if any) with the appropriate caption directly in the text.

## Registration and papers submission

Filled Registration forms should be sent electronically by e-mail ([materials@ffh.bg.ac.rs](mailto:materials@ffh.bg.ac.rs)) before **June 20<sup>th</sup>, 2025**. By the same deadline papers should be submitted electronically to the same e-mail address.

Registration and submission of papers can be made separately. Upon the acceptance of papers each registered participant will receive the **participant ID number**.

## Registration fee and access to meeting activities

Participation is **free**. Participants will have full access to all the meeting activities, including coffee breaks and lunches, without any costs.
